Уважаемые родители!

Вы держите в руках первую часть рабочей тетради к учебнику по английскому языку для 2-го класса "Magic Box". Рабочая тетрадь является **необходимой** частью учебного комплекса, так как предполагает работу не только в классе, но и дома.

В этом году вашим детям предстоит научиться писать. В рабочей тетради они найдут **образцы** написания английских букв, слов и простых предложений. Кроме этого детям потребуется тетрадь-прописи "Copybook".

Во 2-м классе дети должны овладеть следующими умениями: **писать все буквы** английского алфавита, **списывать с образца** слова и предложения, **самостоятельно писать** слова, написанные в учебнике в рамке. Учитывая разницу в написании букв английского и русского алфавитов и достаточно сложное написание английских слов, следует быть готовыми к тому, что обучение письму — это длительный процесс. Ваши терпение и поддержка, несомненно, помогут детям преодолеть все трудности.

Рабочая тетрадь "Magic Box" включает в себя упражнения, которые позволят детям повторить и закрепить материал, представленный на уроках. Очень важно, чтобы дети понимали, что **регулярное выполнение домашней работы** является необходимым условием успешного освоения любого иностранного языка.

Учитывая разнообразие групп, в которых дети будут обучаться по учебному комплексу "Magic Box", рабочая тетрадь содержит избыточное количество упражнений, часть которых учитель сможет использовать по своему усмотрению. Упражнения, отмеченные звёздочкой (*), являются более сложными. Задания, обозначенные , предназначены для домашней или самостоятельной работы, а задания с символом – для работы с аудиокассетой. Большинство упражнений содержит примеры их выполнения.

Коллектив авторов надеется, что "Magic Box" по-прежнему будет добрым и умным другом вашему ребёнку!
