

**Narrator:** Unit One Test.

**Maria:** Hurry up Adam, we haven't got much time and we need to finish packing now. Everybody's waiting.

**Adam:** Well, I'm nearly ready.

**Adam:** Wood?

**Maria:** Well, we want to make a fire, don't we?

**Adam:** We can't do that in the forest because it's so dry. We don't want to start a forest fire, do we?

**Maria:** No, I guess you're right. So, do you think we need to take our sleeping bags as it's so hot?

**Adam:** I think we should as it still gets quite cold at night and we're not taking our tent, are we?

**Maria:** OK, so I think that's it then ... oh, and I almost forgot, I need to take my glasses so I can read the map! Come on ...
