

Narrator: Unit Four Test.

Example. Renata.

Renata: I just love the place we go to every year. There are some amazing fast rides, and some of them look really high – and scary! My parents are always telling us to be careful! But there are lots of things for my little sister to enjoy, too, like the animals, and the souvenir shops. We have a great time!

Narrator: Speaker 1. Mark.

Mark: There's nothing better than being on the water. We don't live by the sea so I can't get out on the boat as much as I would like to at home. But we go to stay with my cousins every holiday. They live near a lake, and we go out every day.

Narrator: Speaker 2. Julie.

Julie: I started riding last year so this year we're going to take our horses and go into the mountains. I'm really looking forward to it. We'll hire a guide and we'll spend a week riding, walking and camping. The landscape is amazing, so it's a perfect place to go.

Narrator: Speaker 3. Sophie.

Sophie: When I was younger I never wanted to go on these trips, but I went last year and had a great time. I stayed with a lovely host family, and picked up a lot of their language. They were so kind and took me everywhere in their country. And their daughter is coming in the summer to stay with my family. I'm really looking forward to it!

Narrator: Speaker 4. Jake.

Jake: I've always loved animals, especially lions, so my perfect holiday would be to go to Africa where I could see them in the wild. I've started saving so I hope to go next year. It'll be a long journey, and I've never been anywhere like that before – it'll be amazing!

Narrator: Speaker 5. Ben.

Ben: I don't like sitting around doing nothing when I'm on holiday so I usually go away with a couple of friends on an organised trip and we go into the mountains and see how high up we can get. I had a bad accident last year. I fell and broke my leg but I'm fine now.
