

Tiny Talk is a three-level listening and speaking series for preschool and kindergarten children learning English. The series provides a simple but steady development of new language through characters, themes, and situations relevant and appealing to very young students. Songs by Carolyn Graham appear in every lesson.

The three levels are divided into A and B sections. Each section includes a **Student Book**, a **Workbook**, a **Cassette**, **Picture Cards**, and **Wall Charts**. The easy-to-use **Teacher's Book** provides step-by-step lesson plans and a wide variety of games and fun activities. **Puppets** of the main characters attract and hold children's attention throughout the course.

Also available are the *Tiny Talk ABC Workbook* and the *Tiny Talk Songbook*, which features all 60 songs in the series. These components can be used either independently or as supplements to the *Tiny Talk* course.
