## Improving your English

### Learner Training 4    Worksheet

**Work in groups of three. Read these ideas about different ways of improving your English outside of class. Then discuss the questions.**

- 1    Go and live in an English-speaking country for a while. Try to stay with a local family.
- 2    Listen to audio books, and if you can, read the books at the same time as you listen.
- 3    Buy a good grammar book and work through it.
- 4    Do a language exchange with a student learning your language.

- What do you think are the advantages and disadvantages of each idea?
