Letterfun

Alphabet Award!

To:

Well done!

Letterfun

Letterfun is an innovative approach to alphabet teaching for young learners of English. Young learners are introduced to the English alphabet through a variety of activities including *nursery rhymes*, *games* and *TPR songs*. Letterfun activities and songs use full-colour illustrations and are accompanied by a fully-dramatised CD/Cassette.

Letterfun consists of twenty-three lessons of two pages each. Letterfun can be used independently or as an introduction to a Pre-junior or Junior course. The Letterfun alphabet book introduces the letters pictorially reinforcing the shape and the sound of each letter. Further consolidation of the letters is achieved through a wide range of activities and popular children's songs. At the end of the book there are *Picture Word Cards* for further recycling of the letters. Letterfun guarantees an enjoyable and thorough learning experience!
