- 2 What is Christina doing? _____
- 3 What are they going to do after the photos? _____

2 Let's do it!

Read and follow the instructions to finish the picture.

There is a photographer taking photos. Draw a camera in front of him.

Christina is taking pictures with a mobile phone. Draw a mobile phone in her hand.

Draw flowers in the bride's hair. Draw the groom standing next to the bride.

3 Challenge

Have you ever been to a wedding or a family party? Write two or more sentences about it and draw a picture.

4 Read and answer the questions.

Koufeta

In Greece and some other countries, the bride and groom give **koufeta** to the wedding guests. **Koufeta** is a Greek word for a special kind of sweets: they are almonds (a kind of nut) covered in sugar. The **koufeta** are in a pretty bag or box. There is always an odd number of sweets – five or seven, for example – because an odd number cannot be divided. This means that the bride and groom cannot be divided.

- 1 Are **koufeta**: **a** something to wear? **b** something to eat?
- 2 Are **guests**: **a** people at a wedding? **b** food at a wedding?
- 3 Circle the odd numbers: 1 3 4 7 8 11

We put speech marks around the words a character says. ‘ ’

Before the second speech mark, we often put a comma , . Then we name the speaker.

‘OK,’ **said Mouse.**

Sometimes we use a question mark ? or an exclamation mark ! .

‘Why?’ she asked. ‘Fantastic!’ she shouted.

Mouse stopped and listened. ‘I think I can hear something,’ he said.

‘Help, help !’ said a voice. I am trapped under this rock.

Is that you, Rattlesnake asked Mouse.

Yes, it’s me said Rattlesnake. Please push the rock and let me out.

If I let you out, you will eat me said Mouse.

5 At the end of the story, Rattlesnake is trapped under the rock again.

Look at the picture and write a new ending for the story.

What does Rattlesnake say and do?

What do the little snakes say and do?

Remember to use speech marks.

Rattlesnake was angry and upset.

‘Coyote tricked me,’ she thought.

‘Now I am trapped under this rock again.

I need help!’

Soon, two little snakes slithered by.

3 Read the story and answer the questions.

In India, people tell stories about King Akbar and his good friend, Birbal. King Akbar likes to ask Birbal tricky questions. Like Nasreddin, Birbal is a wise and funny man.

Birbal and the birds

King Akbar and Birbal were walking in the king's garden. Many birds were singing in the trees.

'Birbal,' said King Akbar. 'How many birds are there in my kingdom?'

Birbal thought for a few seconds and then he said, 'There are nine thousand four hundred and sixty-three birds in your kingdom.'

The king was **astonished**. 'Are you sure?' he asked. 'What if there are more birds than that?'

Birbal answered, 'If there are more birds than that, then some birds are visiting from other kingdoms.'

'What if there are fewer birds?' asked King Akbar.

'Then some of our birds have gone on holiday to other places,' answered Birbal.

King Akbar laughed. 'A very good answer,' he said. 'You are a clever man, Birbal!'

- 1 How many birds does Birbal say there are in the kingdom?
a 9,536 **b** 9,463 **c** 963
- 2 What do you think **astonished** means?
a sleepy **b** very surprised **c** busy
- 3 How do you think Birbal knows how many birds there are?
a He counted them. **b** He asked the birds.
c He doesn't know. He made a guess.

Write notes about the information you find.

1 What places have robots been to?

2 What things have robots done? _____

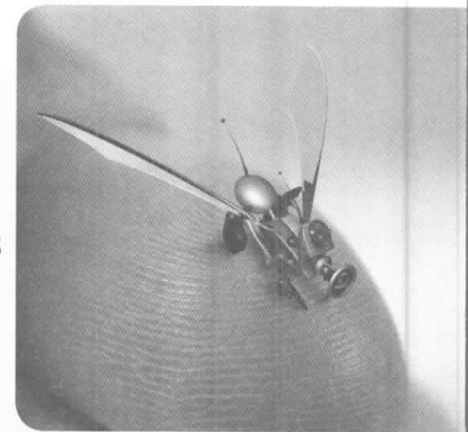

2 Read

Read more about 'robobees', then answer the questions.

Robobees

Scientists have invented tiny flying robots called 'robobees'. Scientists hope that, in the future, robobees will be able to do many things. Just like real bees, robobees will carry pollen from flower to flower on farms. The flowers need to be pollinated so that fruit and vegetables can grow. Robobees will also fly through tiny holes in dangerous places, taking photographs for scientists. And they will help find people who are trapped in fallen buildings after an earthquake.

1 What do you think is the most interesting thing that robobees will be able to do?

2 The text tells us what robobees will do in the future. Circle the word **will** every time it appears in the text.

Language tip

We often use **will** to say how things will be in the future.

In the future can mean tomorrow, next year, or many years from now.

3 Let's make it!

Design your own robot! Think about these questions.

- How big will your robot be?
- What will your robot do? Will it explore places? Will it help in a hospital or at home?
- How will your robot move? Will it have wheels or legs? Will it fly or swim?

Draw a picture of your robot and write 3–5 sentences.

Robot laboratory

4 Challenge

What things can people do that robots can't do?

3 As big as the sun

1 Word study

Find five words that mean 'very big' in this puzzle. Circle the words.

a	g	i	g	a	n	t	i	c	l	y
h	u	g	e	s	j	g	i	a	n	t
w	r	e	n	o	r	m	o	u	s	b
c	e	m	a	s	s	i	v	e	m	p

2 Write

Look around the room and find a very big thing and a very small thing. Describe them. Use one of the size words below and a colour word.

huge large little giant enormous gigantic massive tiny teeny

Example: I can see a gigantic brown cupboard and a teeny yellow crayon.

3 Use of English

Add number, size and colour words to this description. Then draw the picture.

Draw a boy wearing a _____
 _____ hat and _____
 _____ shoes.

He's standing next to a monster with

 eyes and _____
 _____ arms.

Language tip

Remember the order:

number → **size** → **colour**

six huge yellow flowers

4 Write

You have read a poem about 'A pizza the size of the sun' (Learner's Book page 122). Now write a poem about an enormous cake!

Finish the poem title. Then use language from the pizza poem and words from the list below, or choose other words.

A cake the size of _____

I'm making a cake the size of _____

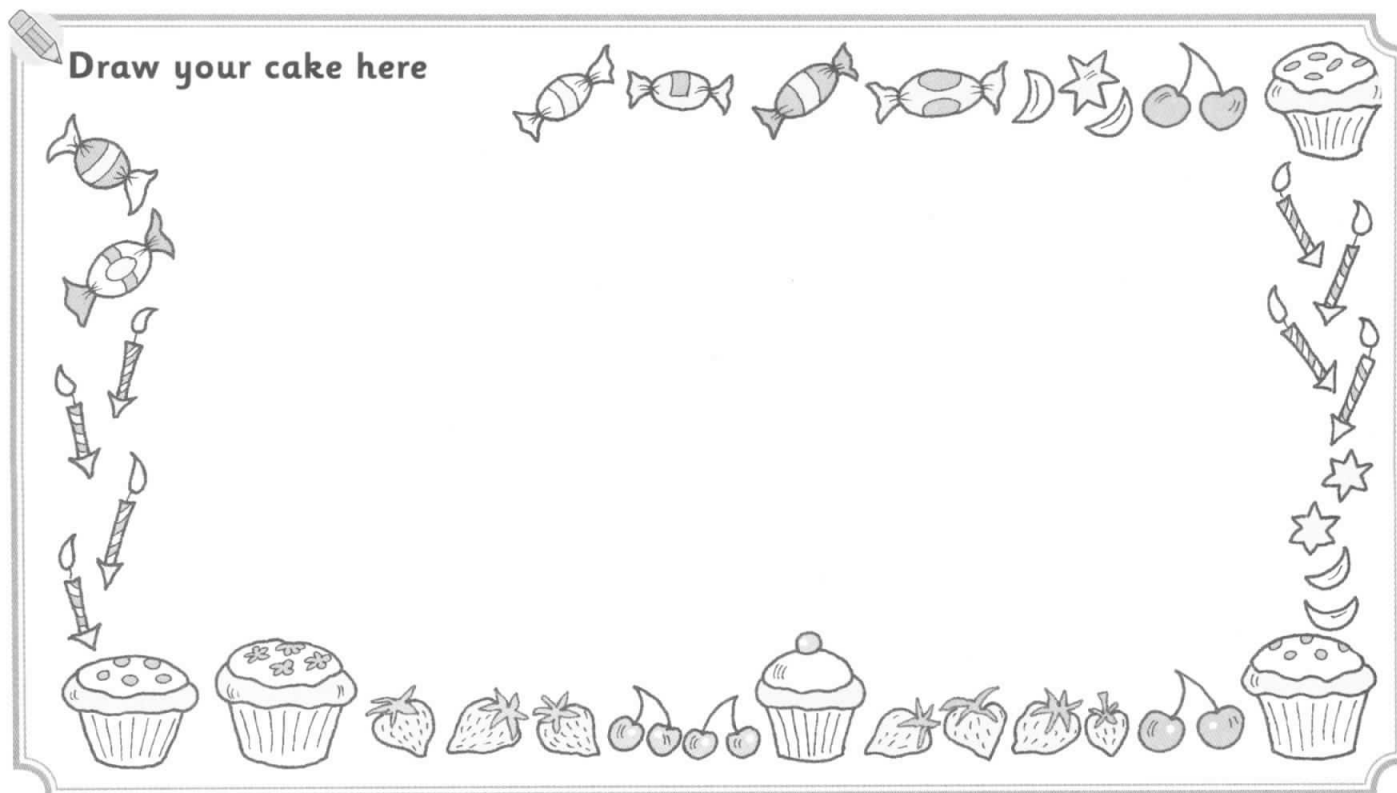

Come and watch me. It's lots of fun!

I'm topping my cake with _____

My cake is sure to be one of a kind, _____

sweets
cherries
strawberries
chocolate
nuts
cream
candles
icing

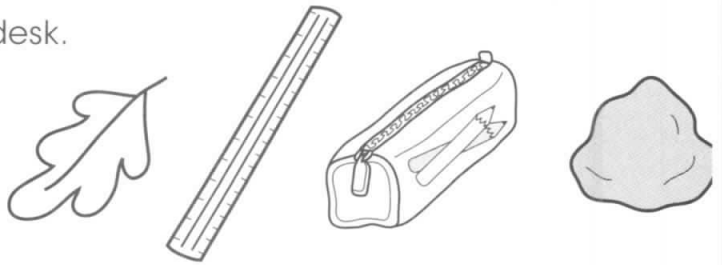

4 Tallest, longest, heaviest

1 Use of English

Choose four objects. Put them on your desk.
Decide how you will line them up:

- From the shortest to the tallest?
- From the longest to the shortest?
- From the lightest to the heaviest?

Then write three sentences below comparing your objects.
For example:

The leaf is the lightest.

The rock is the heaviest.

The pencil case is heavier than the ruler.

- 1 _____
- 2 _____
- 3 _____

2 Over to you

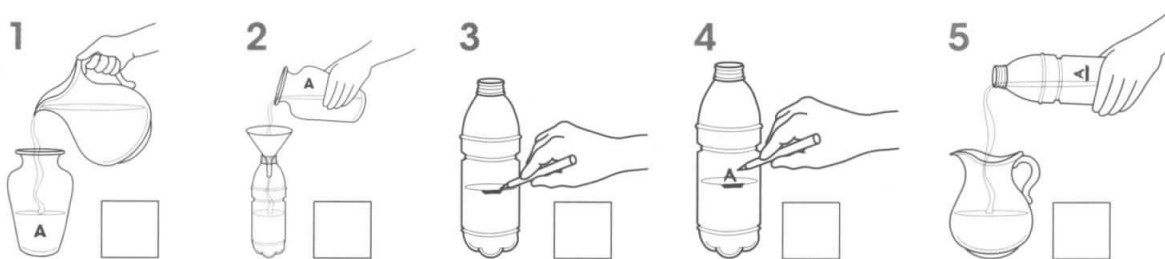

Draw the four containers you used in your experiment (page 125 of the Learner's Book). Label the containers A, B, C, D. Then write three sentences about what you discovered in your experiment.

Container ____ held more water than container ____ .

3 Read

The pictures below show how to do the experiment. The instructions below are jumbled up. Write which instruction goes with each picture.

- a Next, draw a line on the bottle to mark the height of the water.
- b Then write the letter A by the line on the bottle.
- c Next, pour the water from container A into a large empty plastic bottle.
- d First, pour water from a jug into container A.
- e Then pour the water from the bottle back into the jug.

4 Word study

Write the correct number on each line.

- 1 _____ seconds = 1 minute
- 2 _____ minutes = 1 hour
- 3 _____ hours = 1 day
- 4 _____ days = 1 week
- 5 _____ months = 1 year

We can use the words **more** and **less** to compare units of time.

Complete the sentences by writing the word **more** or **less** on each line.

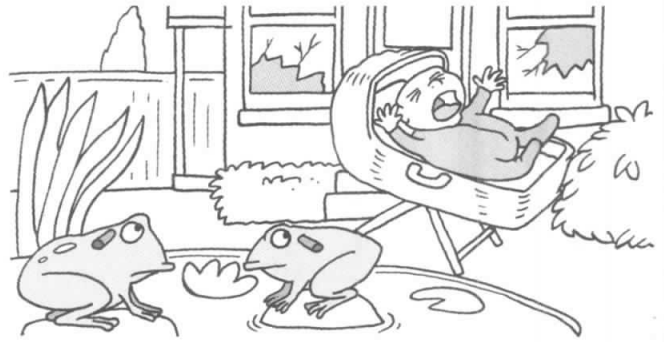

- An hour is ⁶_____ than a minute but ⁷_____ than a day.
A month is ⁸_____ than a year but ⁹_____ than a week.

5 A tall tale

1 Use of English

Read the questions and find the answers in the Learner's Book on pages 126–128.

Remember that **Why...?** questions usually have the word **because** in the answer.

- 1 Why did the frogs who lived near baby Paul's house start wearing earplugs?

The frogs started wearing earplugs because

- 2 Why did Paul's family decide to move when Paul was seven?

Paul's family decided to move because Paul

- 3 Why did Paul feel lonely when he was in school?

Paul felt lonely because

- 4 Why did Paul and Babe pull the river straight?

- 5 Why did Paul make a griddle as big as a lake?

2 Write

Make these sentences correct. Use capital letters (**ABC**), speech marks ('Hello'), commas (,), question marks (?), exclamation marks (!) and full stops (.).

- 1 i am sad to leave our little house said paul's mum

- 2 let's take it with us said paul

- 3 what's the matter asked paul's mum

- 3 Paul introduces Babe the Blue Ox to his friends Rosie and Max. They ask questions about Babe. Write Paul's answers. Use your imagination!

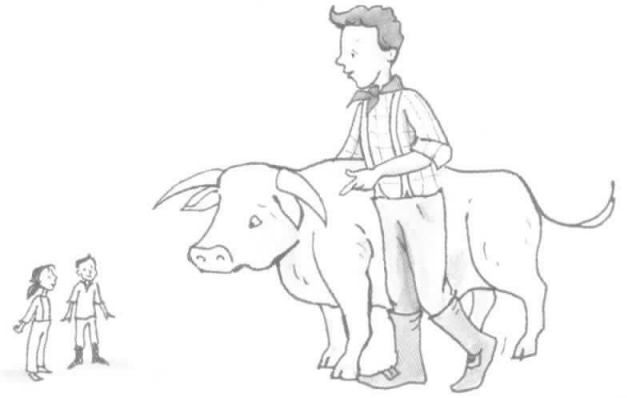

Language tip

We often use the word **said** in conversations.

'This is my friend Babe the Blue Ox', **said** Paul.

Instead of **said**, we can use:

- **asked** when a character asks a question.
- **answered** or **replied** when a character answers a question.

'Why is Babe blue?' asked Rosie.

*'I found him in the snow,' answered Paul. 'I think he was so cold
that he turned blue.'*

'Why is Babe so big?' asked Max.

'What do you and Babe like doing together?' asked Rosie.

'Where does Babe sleep at night?' _____

★ 4 Challenge

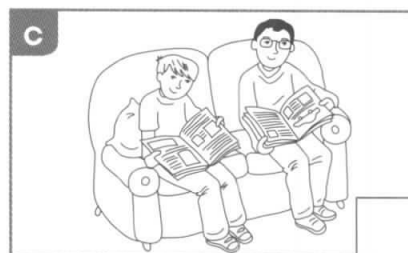

Write two more questions that Rosie and Max ask about Babe.
Write Paul's answer to those questions too.

6 Quiz

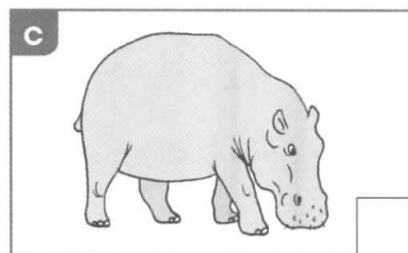

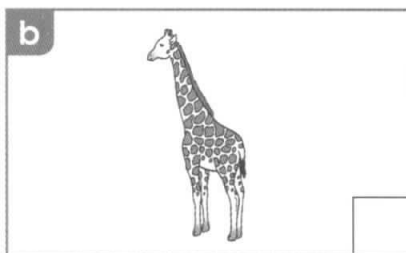

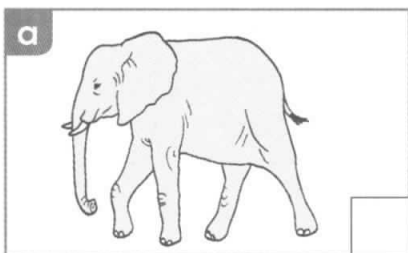

74 Listen

Listen and tick (✓) the box.

Development of this publication has made use of the Cambridge English Corpus (CEC). The CEC is a multi-billion word computer database of contemporary spoken and written English. It includes British English, American English and other varieties of English. It also includes the Cambridge Learner Corpus, developed in collaboration with Cambridge English Language Assessment. Cambridge University Press has built up the CEC to provide evidence about language use that helps to produce better language teaching materials.

This product is informed by the English Vocabulary Profile, built as part of English Profile, a collaborative programme designed to enhance the learning, teaching and assessment of English worldwide. Its main funding partners are Cambridge University Press and Cambridge English Language Assessment and its aim is to create a 'profile' for English linked to the Common European Framework of Reference for Languages (CEFR). English Profile outcomes, such as the English Vocabulary Profile, will provide detailed information about the language that learners can be expected to demonstrate at each CEFR level, offering a clear benchmark for learners' proficiency.
