

Get Culture!

A famous landmark in ...

Step 1

Work in groups. Are there any interesting places in your town or city? What are they? Discuss. Use the words in the box or your own ideas.

park	bridge	tower	house	castle	historical building	statue
------	--------	-------	-------	--------	---------------------	--------

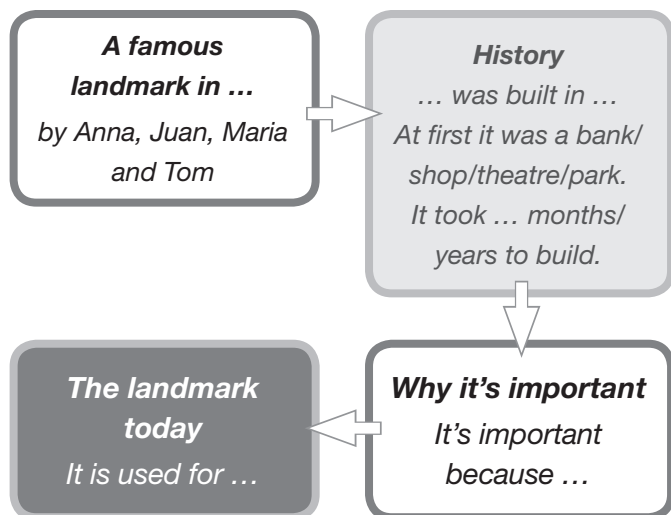

Step 2

Choose one place to make a digital presentation about it. Do research on the Internet. Use these questions to help you.

- When was it built and why?
- How long did it take to build?
- Why is it important or interesting?
- What is it used for today?

Step 3

Make slides for the presentation. Add photos to illustrate each slide. Try to include one surprising fact.

TIPS:

- You can find the photos or videos on the Internet. Remember to give information where they come from.
- Add a title to the presentation and the slides.
- Use animations to make text and photos appear and disappear.

Step 4

Share the presentation with the class. Take turns so that all students in the group talk about one slide. You can start like this:

This is a project about ...
