

# 6.6 Vocabulary

1 Order the letters and write the natural disasters. Use the clues to help.

d r o h u t g

drought

You need to save water if this happens.

e r t e a h a k u a

e \_\_\_\_\_

If there is one, get under a table fast!

f o d l o

f \_\_\_\_\_

Stay in a high, dry place.

f o r s t e f e i r

f \_\_\_\_\_ f \_\_\_\_\_

Call the firefighters.

t u n m d e r s h t o r

t \_\_\_\_\_

The thunder and lightning can be scary.

t n r o a o d

t \_\_\_\_\_

This can blow you over so stay indoors.

t i u n a s m

t \_\_\_\_\_

Get to a mountain if you can.

v n i c c o l a  
e r p u i o n t

v \_\_\_\_\_ e \_\_\_\_\_

You can see hot rock from the centre of the earth.

2 Work with a partner. Say the numbers to your partner for him/her to write. Then write the numbers he/she says. Next, write all the numbers as words.

Student A

My numbers		Student B's numbers	
100		<u>1000</u>	<u>a thousand</u>
10,000			
1,000,000			
5,300			
426,000			

Student B

Student A's numbers		My numbers	
<u>100</u>	<u>a hundred</u>	1,000	
		100,000	
		653	
		98,000	
		3,000,000
