There was a robbery at the phone shop ¹where mum works yesterday afternoon! A thief stole twenty smartphones. Luckily, the phones ²_____ they stole were the cheapest in the shop. A customer ³_____ mum was talking to was the criminal. There was one other witness ⁴_____ saw what happened. She said the bag ⁵_____ the thief put the phones was green. She told the police she couldn't see his face because of the scarf ⁶_____ he was wearing.

5 Look at statements 1–6 in Exercise 1 again and think of answers for you. Tell a friend and listen to his/her answers. Start again, but this time change the underlined words and use your own ideas.

A place where I go a lot at the weekend is Cambridge. I love the shops and the river.

That's interesting. A place where I go a lot at the weekend is my Grandparents' house. Grandma is a great cook!
