**Conversation 1**

Jack            So, what do you do?  
Charlotte     I'm a student.  
Jack            What are you studying?  
Charlotte     Engineering.  
Jack            Really? What year are you in?  
Charlotte     The third year.  
Jack            OK. And how's the course going?  
Charlotte     Not very well. I think I chose the wrong subject. What about you? What do you do?  
Jack            I'm a student too.  
Charlotte     OK. What're you studying?  
Jack            Business and Marketing.  
Charlotte     Right. What year are you in?  
Jack            The second year.  
Charlotte     And how's it going?  
Jack            Really well. It's really interesting.

**Conversation 2**

Jack            OK let's try again. You start.  
Charlotte     So, what do you do?  
Jack            I'm a student.  
Charlotte     What are you studying?  
Jack            Medicine.  
Charlotte     What year are you in?  
Jack            The fourth year.  
Charlotte     And how's the course going?  
Jack            It's OK, but it's quite difficult. What about you? What do you do?  
Charlotte     I'm still at school.  
Jack            Really? What year are you in?  
Charlotte     My final year. I'm 16!  
Jack            Really? You look older! So, what are you studying?  
Charlotte     Maths, Chemistry, Biology, IT, PE, Literature, English, French, History, Physics, Geography and Biology. Oh, I said that.  
Jack            That's a lot. And how's it going?  
Charlotte     Really well. I did very well in my exams. They were easy.  
Jack            Well done! I did very badly in my exams!
