- 5 climate change
- 6 Who with
- 7 Well, why don't we
- 8 Which one
- 9 How long for
- 10 We can go

VIDEO SCRIPT

Conversation 1

Alexander What do you want to do at the weekend?
Julia I don't know. What's the forecast?
Alexander They said it's going to rain.
Julia Oh, right. Well, why don't we go shopping?
Alexander Maybe. Where?
Julia There's a big mall in town.
Alexander OK. What time?
Julia 12?
Alexander OK. Let's do that.

Conversation 2

Alexander OK, again? You start.
Julia What do you want to do this afternoon?
Alexander I'm not sure. What's the forecast?
Julia They said it's going to snow.
Alexander Really? In summer! Very strange!
Julia Yes, it's climate change!
Alexander OK. Well, why don't we go and play in the snow?
Julia Who with?
Alexander I can ring some more people.
Julia Me too. OK. Let's do that!

Conversation 3

Alexander Shall we try one more?
Julia OK. You start.
Alexander No, you!
Julia OK. What do you want to do on Sunday?
Alexander I don't know. What's the forecast?
Julia It's going to be hot and sunny.
Alexander Oh, really? Well, why don't we go for a picnic?
Julia Yes, good idea! Where?
Alexander Why don't we go to the beach?
Julia Which one?
Alexander El Saler. Oh – that beach isn't good for picnic! The – what's ...
Julia Sand.
Alexander OK, the sand. It goes in the picnic! Not nice! Well, why don't we go to the beach near Canet? It has another place for picnic without sand.
Julia OK, let's do that! What time?
Alexander 11.
Julia How long for?
Alexander Um, all day!
Julia How?
Alexander How?
Julia How do we go?
Alexander Oh, yes. We can go in my car.
Julia Who with?
Alexander Only us. OK, no more questions!
Julia OK, let's do that!
