Julia        So I'm A, right? The host.

Alexander    Yes. I'm your visitor. Your guest. I'm here visiting you in your city.

Julia        And we need to use this. Are you ready?

Alexander    Yes. Let's go!

Julia        So ... what would you like to do while you're here? Do you have any plans?

Alexander    Well, I'm not sure. I want to go shopping, have a look at the different shops. I might do that tomorrow. And I'd like to go out somewhere, maybe for a drink or to dance. Do you have any plans for us? Anything we can do together?

Julia        Well, I'm meeting some friends from work tonight for dinner. Would you like to come?

Alexander    Oh, that sounds nice. Do you have a shirt I could borrow, though? This one is a bit dirty. I want to look nice.

Julia        Yes, of course. When we go home I'll find you one.

Alexander    OK. So what time are you thinking of meeting your friends?

Julia        7.30, so we should leave the house around 6.45.

Alexander    And where are we going to meet? What kind of a restaurant is it?

Julia        It's a Turkish place called Devran. It's really great.

Alexander    That sounds very nice. And then after dinner we might go out to a club.

Julia        Well, I might come with you. I'll see how I feel.

Alexander    Great!
