- Nicci        So, do you have any stories?
- Daniel        *Well, I could only think of one thing.* It's quite recent, from my country – but it's pretty horrible.
- Nicci        It's OK. I watch CSI. <sup>1</sup> \_\_\_\_\_.
- Daniel        Well, it was a murder. A really disgusting murder. This 17-year-old guy stabbed his girlfriend and then <sup>2</sup> \_\_\_\_\_ – with a saw. Like in a horror movie or something.
- Nicci        *That's terrible! Why did he do it? Do they know?*
- Daniel        Apparently, he was jealous or something, but I haven't told you the really crazy part yet.
- Nicci        *Go on. What?*
- Daniel        Well, first he <sup>3</sup> \_\_\_\_\_ in a trashcan, where it was found by rubbish collectors, but then he disappeared for six months, and the police think the family must be involved. They think <sup>4</sup> \_\_\_\_\_ to hide or escape and that maybe they helped him to hide the body as well.
- Nicci        *That's just awful! Were his family rich or something?*
- Daniel        Yeah, very, very rich – and the girl was from quite a poor family. It's only because her family made a lot of publicity that anything happened, I think. They organised demonstrations and used the web and the media and <sup>5</sup> \_\_\_\_\_. *They said the police must've somehow been involved or been corrupted or something.* It became a big news story and that <sup>6</sup> \_\_\_\_\_.
- Nicci        *So what happened at the end? Did they catch the guy?*
- Daniel        Yeah. In the end, he went to the police station himself, with his lawyer. Seven months after the murder. And all the DNA linked him to the crime. They started arresting his family and his friends and everything. *Lots of people* <sup>7</sup> \_\_\_\_\_. It's crazy.
- Nicci        Wow! I don't know what to say. My story is nothing like this. It's more comedy than tragedy.
- Daniel        Maybe that's good. So tell me about it.
- Nicci        *Well, this story actually happened to a friend of mine a few years ago.* He was riding his motorbike one Sunday. *He was* <sup>8</sup> \_\_\_\_\_. Then he suddenly noticed he was running out of gas, but for some reason he ignored it and kept going. A few minutes later, two guys on another motorcycle came up to him and one of them <sup>9</sup> \_\_\_\_\_ and told him to get off the motorcycle, which of course he did.
- Daniel        Yes. You don't argue with a gun.
- Nicci        No. Then one of the guys jumped on ... onto ... his bike and rode it for maybe ten metres, when suddenly he totally <sup>10</sup> \_\_\_\_\_. ! He just dropped the bike there and started running like crazy, when he saw my friend calling the police.
- Daniel        That's a great story. Probably the best time ever to run out of gas.
- Nicci        Definitely.
- Daniel        Lucky they didn't use the gun, though. *He could've been hurt.*
- Nicci        They must not have been ... no, they can't have been professionals.
