### Grammar

#### 1 Read the text and choose the correct words.

##### TeenTech gadget review: the Taewou T100 Smartphone

Taewou have just produced two new phones. *TeenTech Magazine* looked at <sup>1</sup>**all / both** of them, but we think the T100 is the better model. It doesn't take <sup>2</sup>**much / most** time to get used to using the phone, and it's got <sup>3</sup>**any / some** great gadgets. The camera on the phone recognises your face, so criminals can't use your phone. It also means that you don't have to use a password <sup>4</sup>**every / all** time you switch the phone on. It's a great phone at a great price, but it doesn't come with <sup>5</sup>**many / much** good apps.
